21 November 1984

MEMORANDUM FOR: Deputy Director for Intelligence  
FROM: Director of Central Intelligence  
SUBJECT: NIO for General Purpose Forces

General Vessey called to say that [redacted]  
[redacted], the man you had, would not be a good selection. He  
suggested [redacted]  
[redacted], previously with the Allied Forces Center in  
Europe. He appears to have command experience and little  
intelligence experience but Vessey thinks his background and  
record indicated he would be a good NIO for General Purpose Forces.
